### LITERACY ACROSS THE CURRICULUM

#### Punctuation Pyramid

**Nouns** = naming words (chair, hat, table)

**Verbs** = doing words (walk, talk)

**Adjectives** = describing words (long, heavy)

**Adverbs** = describe verbs (walked slowly)

#### Colons

**Rule 1:** to introduce a list  
To do this experiment you will need: a test tube, a Bunsen burner and some litmus paper.

**Rule 2:** between clauses when the second clause gives more detail about the first  
Cyanide gas is dangerous: inhaling it can kill.

**Rule 3:** to introduce a rule or saying  
The golden rule for skiers: don't eat yellow snow.

#### Semi-Colons

**Rule 1:** to break up long sentences and list

The new Lada GTi has all the mod-cons you would expect: a 240 valve engine; electric seats; a minibar and automatic steering.

**Rule 2:** to join clauses that are closely related

The impossible we do at once: miracles take a little longer.

#### Apostrophes

**Rule 1:** to show a missing letter/letters  
do + not = don't  
can + not = can't

**Rule 2:** to show ownership  
the teacher's pen  
John's bag
