1st Edition (Revised 2)

As the gap between JLPT N3 to N2 is great, you can think of this book as a "fridge" for advanced Japanese. The disadvantage is that this means that you will need to buy all the separate books, but it could be something good for some Japanese students. Some textbooks can only focus on specific sections, such as grammmal, kanji or vocabulary. You can highly highlight the words in an article of the JLPT N1, N2, N3, N4, N5. Once you have loaded the list of articles on your screen, you no longer need to connect to the Internet to read it more. Price: \$ 20.50 (ã € à ¥ 2,348 jpy) Click this link to buy the book. NIHONGO SO-MATOME JLPT N3 The Nihongo So-Matome JLPT N3 series is a perfect study guide for intermediate level students. There is also an additional section in the book that taught Japanese onomatopoeia, idiomatic expressions and sentence connectors. The book currently has 5 series: Nihongo So-Matome JLPT N3: GrammmarNihongo So-Matome JLPT N3: Kanjinhongo So-Matome JLPT N3: à € Reading understanding nihongo so - matome jlpt n3: vocabularynihongo cd) à € Price (set of 5 books): \$ 93.00 (ã ¥ 10,656 JPY) Click this link to buy the book. Alternatively, if you are looking for a more comprehensive way how to study for the examination, you can check out our study tips to pass the N3 JLPT. There are also links to their online tests and audio files that are free to download. Not sure about your Japanese level? In total, there are 15 topics, each with more mature themes that you would not usually find in normal textbooks. We also have separate posts on JLPT N4 textbooks and JLPT N5 textbooks recommendations. Each of them includes fifteen drill exercises and three mock tests. The book is composed of four units for practice: kanji and vocabulary; listening, grammar, and reading comprehension. For example, if youĂĂĂĂre good at kanji, you can opt away from buying the New Kanzen Master JLPT N3: Kanji. A mock test is a great practice tool because they mimic real-life JLPT questions, and it removes the shock factor. You can save any word to learn it later. Since there are no translations for most of the contents in the book, it pushes you to understand Japanese at a proficient level right from the first page. The kanji test will often provide multiple choices of characters that look similar, too, so learners consider them a tricky section. The book has over 512 kanji and 3,500 essential vocabularies to learn. Even in offline mode, you still can tap to understand a word. Price: \$16.99 (ĂĂĂ1,942 JPY) Click on thisĂ ĂlinkĂ Ăto purchase the book. You can find links to the audio files to the story passages in the book that are read by native speakers. 9.
